

IDENTIFIER / TRADENAME

**DL-alpha-Tocopherol
Patch Test Allergen
(5ml in a polypropylene syringe)**

SECTION I: GENERAL INFORMATION

Product REF:	T-036
Manufacturer:	CHEMOTECHNIQUE DIAGNOSTICS AB Modemgatan 9 S-235 39 Vellinge, SWEDEN
Distributor:	DORMER LABORATORIES INC. 91 Kelfield Street, Unit 5 Toronto, ON M9W 5A3, CANADA E-mail: info@dormer.com
Emerg/Info Phone:	416-242-6167
Doc. Date/Rev:	1-February-2011/1

SECTION II: INGREDIENTS / IDENTITY INFORMATION

Ingredient:	DL-alpha-Tocopheryl
CAS Number:	10191-41-0
% by weight:	100%

SECTION III: PHYSICAL / CHEMICAL CHARACTERISTICS

Appearance:	Brownish Fluid
Odor:	Odorless
Boiling Point:*	Not available
Melting Point:*	3 °C (37.4 °F)
Specific Gravity:*	0.95 (Water =1)
Vapor Density:*	Not available
Vapor Pressure:*	Not available
Evaporation Rate:*	Not available
Solubility in Water:*	Not available

* (Ref: MSDS DL-alpha-Tocopheryl – www.sciencelab.com)

SECTION IV: FIRE AND EXPLOSION HAZARD DATA[†]

Flash Point:	Closed cup: 240 °C (464 °F)
Flammable Limits:	Not available
Extinguishing Media:	Use DRY chemical powder
Special Fire Fighting Procedures:	Use DRY chemical powder
Unusual Fire and Explosion Hazards:	Flammable in presence of heat.

[†](Ref: MSDS DL-alpha-Tocopheryl – www.sciencelab.com)

SECTION V: REACTIVITY DATA

Incompatibility:	Reactive with oxidizing agents, metals, alkalis
Stability:	Stable
Hazardous byproducts:	Products of combustion are CO, CO ₂
Hazardous Polymerization:	Will not occur

SECTION VI: HEALTH HAZARD DATA

Route(s) of entry:	Absorbed through skin. Eye contact.
Health Hazards:	The objective of applying an allergen on the patient's skin is the diagnosis of contact allergies. Localized dermal allergic reaction may occur at test site.
Carcinogenicity:	Not available
Signs and symptoms of exposure:	Dermal Irritation
Medical conditions aggravated by exposure:	Dermatitis
Emergency and First Aid Procedures:	Obtain medical attention

SECTION VII: PRECAUTIONS FOR SAFE HANDLING AND USE

Steps to be taken if material is released or spilled:	Contain and place in a closed container Spread absorbent material (sand, clay) over contaminated area.
Waste disposal method:	Comply with federal, state/provincial and local regulations.
Precautions to be taken in handling and storage:	Store in a cool, dry place. Avoid extended exposure to sunlight. FOR EXTERNAL USE ONLY

SECTION VIII: CONTROL MEASURES

Respiratory Protection:	Not required.
Ventilation:	Local exhaust.
Protective gloves:	Disposable gloves.
Eye protection:	Not required with normal use.
Work/Hygienic Practices:	Wash hands after each use.
